## FOOD BANK REPORT

September 2017

This has been a very busy Fall for the Wolfville food bank. We have been the very fortunate beneficiary of many generous donation of both food and money. Fall is the time for food drives and we have had K-Rock, Canada Farm Credit, Deep Roots and Trick or Eat to mention just some of the more recent ones.

We are now right into the Christmas Hamper programme. Hamper Day will be on December 19<sup>th</sup> this year. Client numbers remain pretty steady.

## SPECIAL NEEDS REPORT

November 2017

Special Needs continues to help people in our community, covering a wide range of needs. People come to us through the Food Bank and from a number of other sources and the scope of help we are able to provide continues to expand. I believe this is a very important part of WAICC's outreach. We average about two to three requests per month and for each person/family helped, it usually make makes a significant change in their circumstances at that special time of need.
